REALLOCATING INVESTMENTS

After establishing your donor advised fund, you may recommend that the assets be switched from one investment strategy to another. Donor advised fund accounts can only be reallocated once per quarter. You may recommend a new investment strategy by completing the SDG Impact Fund Investment Option Form, which can be obtained online at www.sdgimpactfund.org

For information on our most current investment pool allocations and performance please call (404) 825-9529.
